Walk around Keynsham Keynsham's Industrial Past – a fairly short walking tour around the lower valley of the River Chew to view remains of the town's industries and transport history. Starts and finishes in Bath Hill (East) free car park (BS31 3HH, ST 65701 68341), is mostly on level parkland and passes the train station on route for early leavers. Keynsham is 1.9 miles from Saltford via the A4. The guide will offer car share to assist those who have come by public transport and would welcome the help of other motorists in this respect. (Mike Bone);

Visit to Bitton Railway 3.6 miles (Eric Miles); Opened 1869 by Midland Railway as through-route between Birmingham and the South Coast. Now Avon Valley Railway run by volunteers. BS30 6HD, ST 66988 70307

Kingswood Museum inside 18th Century brass mill at Warmley with icehouse, windmill tower and gardens nearby. 5.8 miles away (Alan Bryant). £3. Refreshments available. (BS30 8XT, ST 66869 72722)

Saltford Brass Mill dates from the 1720s and Grade II* listed. .9 mile away (Patrick Beazley). Weather permitting. BS31 3EY, ST 68696 66968
